PROFESSIONAL SUMMARY

I am UI/UX and Frontend Developer with 7+ years of experience in website design, responsive web development, WordPress, and user interface design. Skilled in HTML5, CSS3, Bootstrap, JavaScript, WordPress, Elementor, Figma, and Photoshop. Currently developing skills in React, Node.js, Express.js, MongoDB, AI coding tools, prompt engineering, and agentic full stack development. Experienced in creating responsive, user-friendly websites and web interfaces with a strong focus on usability, clean design, and frontend development. Seeking opportunities to apply my UI/UX and frontend experience while growing as an Agentic Full Stack Developer.
